

LIST OF FIGURES, TABLES, CHARTS AND BOXES

Figures

- Figure 1. Cecil Rhodes, the founder of The Consolidated Gold Fields of South Africa, along with Charles Rudd 6
- Figure 2. The Consolidated Gold Fields of South Africa head office, 49 Moorgate, London 12
- Figure 3. Herbert Hoover (second from left) and John Agnew (right) in Western Australia while working for Bewick Moreing 26
- Figure 4. John Agnew (left) at a mining operation of Bewick Moreing. . 26
- Figure 5. John Agnew (third from left) while on a mine inspection for Bewick Moreing, Western Australia 27
- Figure 6. Map of mining leases of the Golden Mile, Kalgoorlie 31
- Figure 7. Western Australian Minister for Railways laying the first track of the Meekatharra to Wiluna railway line, 1929. 40
- Figure 8. Wiluna gold mine, 1927 41
- Figure 9. Panorama of Wiluna mine site, 1930. 41
- Figure 10. Wiluna gold mine poppet head and engine room 42
- Figure 11. Pouring first gold, Wiluna, 1935 43
- Figure 12. Wiluna gold mine, 1935 43
- Figure 13. Aerial view of Wiluna gold mining operation 47
- Figure 14. View of Lake View Consols in 1928, renamed Lake View and Star 50
- Figure 15. Associated Tailings, part of the properties controlled by Lake View and Star 51

Figure 16. Aerial view of Lake View and Star facilities	51
Figures 17 and 18. Father and son engineers: John A Agnew and Dolph Agnew	59
Figure 19. Lake George mining and processing operations, Captains Flat, New South Wales	81
Figure 20. Final shift at time of closure of Lake George mine, 1962 . . .	82
Figure 21. Alluvial gold mining, Edie Creek, Morobe district, Territory of New Guinea	88
Figure 22. Location for mining operations undertaken by New Guinea Goldfields at the junction of Bulolo River and Koranga Creek, Morobe district, Territory of New Guinea	88
Figure 23. Junker aircraft used for transportation of equipment into Morobe district, Territory of New Guinea.	89
Figure 24. Bulolo gold dredge, number 3, Morobe district, Territory of New Guinea	89
Figure 25. Sir George Steven Harvie-Watt	99
Figure 26. Brian Massy-Greene	103
Figure 27. Beach dredge mining conducted by Associated Minerals Consolidated along the New South Wales coast	118
Figure 28. Titania dredge used on North Stradbroke Island, Queensland	119
Figure 29. Construction of the railway line from Mount Goldsworthy mine site to Port Hedland, 1966	126
Figure 30. Iron ore train crossing De Grey River	126
Figure 31. First iron ore shipment from Port Hedland in 1966, showing crushing facility at Finucane Island.	127
Figure 32. Ship loading, Finucane Island	127
Figure 33. <i>Harvey S Mudd</i> at Finucane Island, 1966.	128
Figure 34. Aerial view of Mount Goldsworthy, Pilbara, Western Australia, 1974.	129
Figure 35. Mount Lyell Mining and Railway Company copper mining operation, Queenstown, 1963	141

Figure 36. Renison tin mining operation near Zeehan, west coast of Tasmania	144
Figure 37. Gold Fields House (right), opened in 1966	153
Figures 38 and 39. Western Titanium's operations, Capel, south-west, Western Australia.	184
Figure 40. Bart Ryan, managing director of Consolidated Gold Fields Australia, 1976–1980.	203
Figure 41. Sidney Segal, executive and subsequently chairman of Consolidated Gold Fields Australia from 1976 to 1980, then deputy chairman and director until 1982.	204
Figure 42. London Board of Directors of Consolidated Gold Fields, 1977	228
Figure 43. Max Roberts, executive chairman and then chairman of Renison Goldfields Consolidated from 1980 to 1994	236
Figure 44. Campbell Anderson, managing director from 1985 and chief executive officer of Renison Goldfields Consolidated from 1986 to 1993.	254
Figure 45. Mark Bethwaite, appointed deputy managing director in 1987 and managing director and chief executive officer from 1995 to 1998.	255
Figure 46. Mount Lyell operations, Queenstown, 1984	259
Figure 47. Cross-section of Renison mining operation	262
Figures 48 and 49. Underground mining operations, Renison	262
Figure 50. Mount Lyell cross-section showing mining through various series of ore bodies to the 50 series	269
Figure 51. Alternative operating strategies for Mount Lyell under consideration as part of 1984/85 budgetary planning.	270
Figure 52. Site of Porgera gold mine, Enga Province, Papua New Guinea	290
Figure 53. Rudolph Agnew, chief executive officer of Consolidated Gold Fields	306
Figure 54. Mark Bethwaite, Tony Cotton and Max Roberts, 1993	341

Tables

Table 1. Renison Goldfields Consolidated group and divisional financial performance, 1990–1998.	347
Table 2. Mineral sands performance, 1990–1994.	357
