STATES OF EMERGENCY

The Sichuan Earthquake Ten Years On

MADE IN CHINA JOURNAL

Made in China is a quarterly on Chinese labour, civil society, and rights. This project has been produced with the financial assistance of the Australian Centre on China in the World (CIW), the Australian National University; the European Union Horizon 2020 research and innovation programme under the Marie Skłodowska-Curie Grant Agreement No 654852; and the Centre for East and South-East Asian Studies, Lund University. The views expressed are those of the individual authors and do not represent the views of the European Union, CIW, Lund University, or the institutions to which the authors are affiliated.

CHINA RESISTANCE
mismatched shards of China

The tradition of the oppressed teaches us that the 'state of emergency' in which we live is not the exception but the rule. We must attain to a conception of history that is in keeping with this insight. Then we shall clearly recognise that it is our task to bring about a real state of emergency...
