

List of boxes and tables

Box 1 Master Plan of ASEAN Connectivity	12
Table 1.1 Pairwise Pearson correlation coefficients of ARCII dimensional indexes, 2006–16	31
Table 1.2 Generalised method of moments estimation results: Growth regressions	31
Table 1.3 Generalised method of moments estimation results: Inequality regressions	32
Table 1.4 Generalised method of moments estimation results: Poverty regressions	33
Appendix Table 1.1 ARCII dimensions and indicators	35
Appendix Table 1.2 Variables in growth, inequality and poverty regressions: Description and sources	37
Appendix Table 1.3 Control variables in growth, poverty and inequality regressions	37
Table 2.1 Average pre-BRI shipping time within and between regions, 2013	57
Table 2.2 Changes in BRI regional trade flows	66
Table 2.3 Changes in upstream dependence of the BRI economies on North America, Western Europe and China, 2010–17 (per cent)	73
Table 2.4 Changes in the downstream influence of North America, Western Europe and China on the BRI economies, 2010–17 (per cent)	74
Table 2.5 Sovereign credit risk ratings of the BRI countries and regions, 2017–18	77

Table 3.1 Thailand–Laos friendship bridges	93
Table 3.2 High-level indicators for local urbanisation	98
Table 3.3 Examples of the various bands in Landsat 5 and 8	99
Table 3.4 Final satellite imagery data source	100
Table 4.1 Digital economy foundations at a glance	126
Table 4.2 Digital economy indicators in selected Southeast Asian countries	127
Table 4.3 High-level digital skills categories	134
Table 4.4 Legal frameworks in ASEAN countries for electronic transactions, data protection, privacy and online purchases	139
Table 4.5 Policy priorities summary for developing Southeast Asian countries	150
Table 5.1 All Thai SMEs versus our sample	167
Table 5.2 Summary statistics	168
Table 5.3 Change in household income after entering e-commerce	170
Table 5.4 Impact on sellers (Group A)	172
Table 5.5 Change in employment after adopting e-commerce (Group A)	176
Table 5.6 Impact on sellers (Group B)	178
Table 5.7 Share of sellers selling outside own region (per cent)	184
Table 5.8 Average number of trade connections	185
Table 5.9 Share of households reporting an increase in income, by region (per cent)	186
Table 5.10 Use of profits	189
Table 5.11 Motivation for entering into e-commerce	190
Table 6.1 Main policy documents on mobile payments in China	211
Table 7.1 OECD FDI Regulatory Restrictiveness Index	229
Table 7.2 Infrascopes Index scores, 2018	236
