

List of figures

Figure 1.1 Quality of infrastructure in Asia, 2019	21
Figure 1.2 Trade costs of Asia and Pacific subregions with large developed economies, 1995–2017	22
Figure 1.3 Logistics Performance Index, Asia’s subregions, 2007, 2012, 2018	23
Figure 1.4 Logistics Performance Index dimensions: Asia, 2007, 2012, 2018	23
Figure 1.5 Distance to ‘best-performer frontier’ in trading across borders by region, 2019	24
Figure 1.6 Time and cost to export and import, Asia’s subregions, 2014 and 2019	25
Figure 1.7 Asia-Pacific Regional Cooperation and Integration Index: Asia and Asia’s subregions, 2006–17	27
Figure 1.8 Dimensional subindexes to the Asia-Pacific Regional Cooperation and Integration Index: Asia’s subregions, 2017	28
Figure 1.9 Dimensional contributions to the Asia-Pacific Regional Cooperation and Integration Index: Asia and Asia’s subregions, 2006 versus 2017	28
Figure 2.1 BRI-related transport projects by 2018	55
Figure 2.2 Number of China–Europe Railway Express trains, 2011–18	56
Figure 2.3 Average decline in shipping time by economy: Lower bound	58
Figure 2.4 Average decline in shipping time by economy: Upper bound	58

Figure 2.5 Internet users and access to mobile broadband, 2018	60
Figure 2.6 Average decline in trade costs by economy: Lower bound	63
Figure 2.7 Average decline in trade costs by economy: Upper bound	63
Figure 2.8 Export-promoting effects of BRI infrastructure improvements: Upper bound	65
Figure 2.9 Trade-promoting effects of BRI infrastructure improvements and policy coordination	68
Figure 2.10 Trade facilitation scores for the BRI economic corridors, 2013 and 2018	69
Figure 2.11 Structure of BRI corridor economies' trade networks, 2003	71
Figure 2.12 Structure of BRI corridor economies' trade networks, 2017	71
Figure 2.13 Promotion effects on FDI of BRI infrastructure improvements	72
Figure 2.14 Relationship between Corruption Perception Index and Rule of Law Index for BRI economies, 2017	80
Figure 2.15 Control of Corruption scores for the BRI economies, 2018	80
Figure 2.16 BRI road and railway projects in relation to biodiversity risks	82
Figure 3.1 GMS economic corridors	92
Figure 3.2 Landsat mission schedule	100
Figure 3.3 Data-processing steps	101
Figure 3.4 Changes in border export and import values	104
Figure 3.5 Cross-border traffic volume	105
Figure 3.6 Year-on-year change in built-up area expansion	106
Figure 3.7 Year-on-year change in GPP	106
Figure 3.8a Location of newly created built-up areas in 2000 (second bridge)	107

Figure 3.8b Location of newly created built-up areas in 2004 (second bridge)	108
Figure 3.8c Location of newly created built-up areas in 2005 (second bridge)	108
Figure 3.8d Location of newly created built-up areas in 2009 (second bridge)	109
Figure 3.9 Radius analysis for Mukdahan and Savannakhet (second bridge)	110
Figure 3.10 Annual increase in built-up area in Mukdahan and Savannakhet (second bridge)	111
Figure 3.11a Location of new built-up areas in 2000 (third bridge)	112
Figure 3.11b Location of new built-up areas in 2005 (third bridge)	112
Figure 3.11c Location of new built-up areas in 2010 (third bridge)	112
Figure 3.11d Location of new built-up areas in 2015 (third bridge)	112
Figure 3.12 Radius analysis for Nakhon Phanom and Khammouan (third bridge)	113
Figure 3.13 Annual increase in built-up area in Nakhon Phanom and Khammouan (third bridge)	114
Figure 4.1 Individuals using the internet in selected Southeast Asian economies (percentage of population)	122
Figure 4.2 E-commerce adoption by country, 2017	123
Figure 4.3 Telecommunications, computer and information services trade, ASEAN member countries	124
Figure 4.4 Digital adoption by individuals, governments and businesses relative to world average, ASEAN member countries	125
Figure 4.5 Broadband internet penetration in ASEAN member countries (percentage of population)	130
Figure 4.6 Digital payments use is still relatively limited	132
Figure 4.7 Logistics performance indicators: Selected key indicators, 2018	136
Figure 4.8 Digital IDs in the digital economy ecosystem	145

Figure 5.1 Increase in trade connections: Whole of Thailand	180
Figure 5.2 Increase in trade connections by region in Thailand	181
Figure 5.3 Sankey diagram: Own region versus outside own region—before e-commerce	182
Figure 5.4 Sankey diagram: Own region versus outside own region—after e-commerce	182
Figure 5.5 Waterfall chart: Decomposing into extensive versus intensive margins	183
Figure 5.6 Share of trade connection increase based on extensive versus intensive margins	184
Figure 5.7 Impact on household income from e-commerce by region	186
Figure 6.1 Active users of Alipay and WeChat, 2013–18 (million persons)	205
Figure 6.2 Transaction volume of mobile payments in China (RMB trillion)	205
Figure 6.3 Rapid regional convergence of fintech development, 2011	206
Figure 6.4 Rapid regional convergence of fintech development, 2018	207
Figure 6.5 Return rates on term deposits and Yu'e Bao (per cent)	210
