terra australis 36
Terra Australis reports the results of archaeological and related research within the south and east of Asia, though mainly Australia, New Guinea and island Melanesia — lands that remained terra australis incognita to generations of prehistorians. Its subject is the settlement of the diverse environments in this isolated quarter of the globe by peoples who have maintained their discrete and traditional ways of life into the recent recorded or remembered past and at times into the observable present.

List of volumes in Terra Australis

Volume 4: Recent Prehistory in Southeast Papua. B. Egloff (1979)
Volume 10: The Emergence of Mailu. G. Irwin (1985)
Volume 14: 30,000 Years of Aboriginal Occupation: Kimberley, North-West Australia. S. O’Connor (1999)
Volume 31: The Early Prehistory of Fiji. G. Clark and A. Anderson (2009)
Volume 36: Transcending the Culture-Nature Divide in Cultural Heritage: Views from the Asia Pacific Region. Sally Brockwell, Sue O’Connor and Denis Byrne (2013)
Volume 37: Taking the High Ground: The archaeology of Rapa, a fortified island in remote East Polynesia. Atholl Anderson and Douglas J. Kennett (2012)
Transcending the Culture–Nature Divide in Cultural Heritage
Views from the Asia-Pacific Region
