

# Acknowledgements

I would like to thank my research collaborators over the years: Dr Stewart Jackson Dr Jay Smith, Dr Lucas Walsh and Dr Ariadne Vromen. In addition, I'm indebted to the consistent, reliable and high quality work of my research assistant Elise Wood, the red pen of Anna Bardsley and the editorial assistance of Sam Vincent. Finally, I'd like to acknowledge the kind and useful comments of my reviewers, the Australian and New Zealand School of Government and ANU E Press for the publication of this book, supporting my choice of an open-licensing approach permitting derivative works.
