*Aboriginal History* is a refereed journal that aims to present articles and information in the field of Australian ethnohistory, particularly in the post-contact history of Aboriginal and Torres Strait Islander people. Historical studies based on anthropological, archaeological, linguistic and sociological research, including comparative studies of other ethnic groups such as Pacific Islanders in Australia, will be welcomed. Issues include recorded oral traditions and biographies, narratives in local languages with translations, previously unpublished manuscript accounts, resumés of current events, archival and bibliographic articles, and book reviews. This volume of the journal is formally dated 2002, but is published in 2003.

*Aboriginal History* is administered by an Editorial Board which is responsible for all unsigned material in the journal. Views and opinions expressed by the authors of signed articles and reviews are not necessarily shared by Board members. The editors invite authors to submit contributions to either the journal or monograph series for consideration; reviews will be commissioned by the reviews editor.
