MADE IN CHINA

A Quarterly on Chinese Labour, Civil Society, and Rights

Made in China

Made in China is a quarterly on Chinese labour, civil society, and rights. This project has been produced with the financial assistance of the Australian Centre on China in the World (CIW), Australian National University, and the European Union Horizon 2020 research and innovation programme under the Marie Skłodowska-Curie grant agreement No 654852. The views expressed are those of the individual authors and do not represent the views of the European Union, CIW, or the institutions to which the authors are affiliated.

ISSUE #3
JULY-SEPTEMBER 2016
ISSN 2206-9119

EDITORS

Ivan Franceschini

WHY MADE IN CHINA?

In the last few years, the Chinese labour movement has witnessed significant developments, not only with the occurrence of some of the largest strikes in decades but also the emergence of grave challenges for workers and activists. Made in China springs from the belief that this calls for more serious analysis from both scholars and practitioners, as well for a critical engagement with a broader international audience interested in forging international solidarity.
