Dear Mr. Matthews

My hands. I have been so full preparing the
 pil teacher for the competitive ex-
 amination my school for the
 annual inspection that I have
 not been able to redeem a little
 time for the work I promised
 to do for you but now the year's
 ordeal is over I shall turn
 my attention to your queries.
 1st. Tribal boundaries. I have
 given them in connection with the
 Yotta-Yotta valleys a few of the Swung
 tribes whose representatives we
 have on the mission.
 The King resides at the village of
 Yotta-Yotta. The number of persons

its offspring.

1. Yotta Yotta pure.

2. Yabala-Yabala

3. Ngare-morbroo

4. Mooyi Nabin

5. Wungun Cutjeng

6. Wullee Begun

7. Kial Deebun

8. Breponiro

9. Buroomigunja

10. Yaliba

11. Wogot-dubam

12. Vullomilbala

13. Vullarak

14. Gungiggar

The classification of the

Wardjere tribe is not known

have. It appears that the above

names not only represent the

dialect spoken but also the

territory on the point at-

families, that scattered among
their connection with the Yotta
Yotta tribe. There resides here
among the Chipmunk, some of
similar to the caste system
in India. One chief would
pride himself as belonging
to the Emu class, (the highest caste)
another to the white cattle
class, the lower
caste. I have made several
inquiries in class names, viz
Munvi, Kubi, Epai, Kumbi
All the aborigines are mut-
ually on the point with the exception
of one solitary black woman
who says she belongs to the
Munvi class. She is an essential
evidence I don't think has
testimony on the point at-
all, but is worth much.

All I want may be summed up
as follows:

1. Have you the Bunjil and Waa charts
2. If so, how far up + down the Murray
do they extend, + how far into Victoria
3. Do your blacks know the upper boundary
of the Mukwarrra + Kelparra people?
4. Give me all the totems of the blacks at
Cummaragunja
5. What district in Victoria does the old
man you referred to belong to?
6. Is Cockby now with you?
7. If you have any Wommera blacks
find out if they knocked out a tooth
at Ivan meeting. Also get class names.
