Aboriginal History is a refereed journal that presents articles and information in Australian ethnohistory and contact and post-contact history of Aboriginal and Torres Strait Islander people. Historical studies based on anthropological, archaeological, linguistic and sociological research, including comparative studies of other ethnic groups such as Pacific Islanders in Australia, are welcomed. Subjects include recorded oral traditions and biographies, narratives in local languages with translations, previously unpublished manuscript accounts, archival and bibliographic articles, and book reviews.

Aboriginal History is administered by an Editorial Board which is responsible for all unsigned material in the journal. Views and opinions expressed by the authors of signed articles and reviews are not necessarily shared by Board members. The editors invite authors to submit contributions to either the journal or monograph series for consideration; reviews will be commissioned by the book review editor.

This volume of the journal is formally dated 2005, but is published in 2006.
